Report Production Date: January 01, 2017

A listing is only included here if, at the time it was captured from the MLS® System, it satisfied these criteria: you showed as List, Co-List, Co-List 2, Sell, Co-Sell or Co-Sell 2 Agent; the listing's status was "Sold"; and the sold date was within the year of the award competition. Sales volume is distributed evenly across the participants of each end unless different awards 'splits' have been specified (see the listing's Licensee Information section on the MLS® System's Full display). At year's end, these sales volume thresholds determine the awards as follows: the top 10% of membership receive a Gold Award; the next 10% receive a Silver Award; the next 10% receive a Bronze Award.
